WHITE

Winemaking process

Must extracted, then fermented in stainless steel vats at a controlled 16 °C, allowing us to enhance the fruity aromas of this variety.

Tasting

Bright pale yellow in colour. Its intense fruity aromas make it the perfect single-variety wine, very clean and direct in the mouth yet light on the palate.

Pairing

Fish, seafood, pulses, vegetables, starters and goat cheese.

100% Viura

Bright pale yellow
